SUCCESS LASTS A LIFETIME

JOB CORPS IS FOR YOU

Job Corps is a free education and training program that helps young men and women get better jobs, make more money and take control of their lives. At Job Corps you can learn a trade, earn your high school diploma or GED, and get help finding a good job.

As a Job Corps student, you will live on a Job Corps center campus. There you will study and live with students from all different locations, and you may even make lifelong friendships.

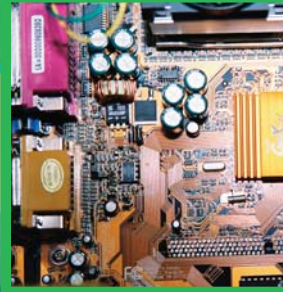

If you are age 16 through 24, you can join Job Corps and take control of your future.

TRAINING

Learn about trades ranging from carpentry to health occupations from professionals who understand what it takes to succeed. The best part is, whatever trade you choose, the training won't cost you anything!

Look closely ... everyone pictured in this brochure is an actual Job Corps student or graduate.

EDUCATION

If you weren't able to finish high school, don't worry. Job Corps can help you earn your high school diploma or GED. To gain a high school diploma, you may participate in an online or co-enrollment program with a local high school. Job Corps also offers classes to prepare you for the GED test.

SUCCESS PLAN

Job Corps staff is dedicated to working with you throughout your stay at Job Corps. They will help you create a hands-on career training program that fits your needs. You work at your own pace, and Job Corps prepares you for success in the work world. Computer training, resume writing and interview skills are all part of the program.

SUPPORT

When you graduate, you will have the skills and confidence you need to start a promising career and earn good money. Job Corps will help you find the job that is right for you. And your Job Corps career transition specialist will stay in touch with you for a year after you secure employment, providing the support you need to meet your career goals.
